### Student 1 Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

### Student 2 Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

### Student 3 Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

#### Student 4 Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

#### Student 5 Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

#### Team Leader Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Signature:	

### Section 2 Payee Information

Student 1:	Student 2:	Student 3:	Student 4:	Student 5:	Team Leader:
------------	------------	------------	------------	------------	--------------

Case 2: If the payee information is not provided, please fill-in the section below.

Payee Information

First Name:	Last Name:
Date of Birth (yyyy/mm/dd):	School:
Phone Number:	Email:
Mailing Address:	
City/Town:	Province/Territory:
Postal Code:	Signature:

**Section 3 CaYPT Participation in Your School/Community**

Have students from your school participated in the CaYPT before?	
Did your school form an official CaYPT team before?	
Did any student from your school participate in the IYPT before?	
How many students are participating in your school's CaYPT program at the time of application?	
How much financial support does the CaYPT team receive from your school? (answer in \$CAD)	
How many students are participating in other physics related extracurricular activities at your school?	
How much financial support does your school provide to other physics related extracurricular activities? (answer in \$CAD)	

**Section 4 Application Question:**

Please answer ONE of the following questions. Your response should not exceed 1000 words. Please combine your response and the form into one file and submit it to the form on the CaYPT SFP webpage. (.pdf format preferred)

- 1) Explain how you will use the funding from CaYPT SFP to promote CaYPT and physics education in your school or community.

- 2) Describe how you will use the funding from CaYPT SFP to better equity, diversity, and inclusivity of the CaYPT program at your school or community.
  
- 3) Describe the projects and/or experiments the CaYPT SFP will help fund in your team's CaYPT research. You may include details like:
  - Planned purchase of instrument or equipment (include model and cost)
  - Planned costs for services (include cost)
  - Project/experiment goals and objectives
  - Project/experiment timeline
